

# Sector Antenna Sites

<a href="#">VA7ASI (Andrew)</a>	A sector antenna, dish, ...
<a href="#">VE7DNR (Devan)</a>	Sector Nodes at Woodley Range
<a href="#">VE7NA (NARA)</a>	Mt. Benson Nanaimo Sector Nodes
<a href="#">VE7NA (NARA)</a>	Lost Lake Sector and Benson Link

## Individual Setups

<a href="#">VA7FI (Patrick)</a>	A hAP router, an LDF-5 on a used Telus dish, a cheap Linux laptop server
<a href="#">VA7UL (Chuck)</a>	YVR1 & YVR2 Nodes. Windows-based setup of hAP-ac3 is linked in Getting Started.
<a href="#">VE7JEY (John)</a>	Six Youtube Videos on how to setup Nodes
<a href="#">VE7LEE (Ted)</a>	
<a href="#">VE7LSE (Devan)</a>	A hAP router, two IP phones, a PBX system, a flight tracker and an LHG XL HP5 dish
<a href="#">VE7PTN (Bruce)</a>	

## Network Topology

Every few months, VA7FI maps the topology of our AREDN network. [See here](#) for more details.

As of August 2, 2025, our network topology looks like this:<sup>1)</sup>
